

The Gift of Blessing

Kate Patterson

MuddyPearl

Choose to believe the truth that God will never withhold his love from you.

Blessing is God's idea – it's the first thing he did when he made Adam and Eve, and it's the last thing Jesus did before he ascended into heaven. And yet many of us picture God as a grumpy old man who measures out blessing in measly thimblefuls.

Following on from her first book exploring the Aaronic blessing from Numbers 6, this encouraging devotional from Kate Patterson offers the opportunity to see God afresh through that shining blessing made to God's people as they wandered in the desert. Would you be surprised to discover that this promise of blessing is for you?

Beautifully designed and illustrated, with daily reflections, scripture and prayer prompts, Patterson looks at each phrase of God's blessing in Numbers 6. Each day share something significant to help readers discover the God at the heart of our faith – a God who loves us and whose heart is to bless his people so that they can be a blessing to others. For those wanting to know God's blessing for themselves, this is an ideal gift that will not only bless them but the people around them too.

'Makes deep biblical truths accessible, opening our eyes to God's unfailing intent not only to bless us but to make us a blessing. Here is a book to treasure and to share!'
